COTTONIAN
'75

*Presented by:
The Senior Class
of
Nineteen Hundred
and
Seventy-five*

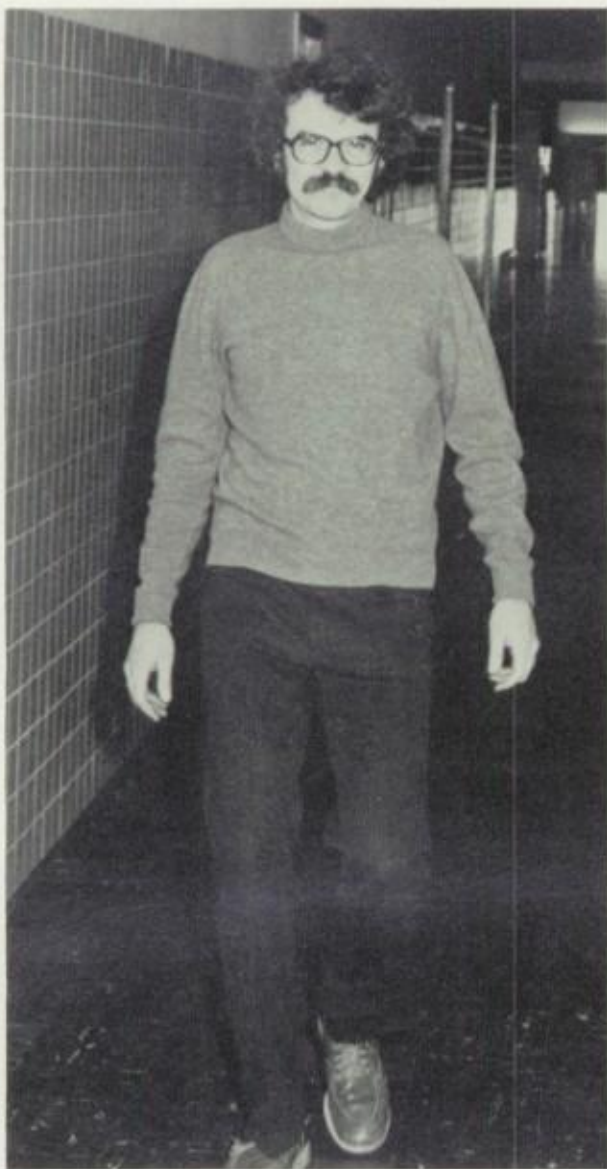

*Nothing old, nothing new, nothing ventured,
Nothing gained, nothing still — born or lost,
Nothing further than proof, nothing wilder than youth
Nothing older than time, nothing sweeter than wine
Nothing physically, recklessly, hopelessly blind
Nothing I couldn't say
Nothing why 'cus today
Nothing rhymed*

Chrysalis

We the class of 1975 would like to dedicate our yearbook to Mr. Dale Collins. Mr. Collins has been with our school for many years. During this time he has been our class advisor for three years. There are few words that can express our deep appreciation for all he has done for our school and the class of 1975.

DAN MACKEY

MRS. LACONTI

MR. HENNESSY

MR. WOOLSTON

You have completed your passage through the first great societal institution in your lives — the school — I hope that each of you has taken as much from that journey as you need to enable you to go as far as you want in the many other institutions and circumstances awaiting you in life. I wish you all success and happiness.

Happiness is graduation! Happiness will be many things, big and little, throughout your lives, — college; a new job; marriage; a family; a little boy telling you, "Grandpa, I 'preciate that"; or a little girl saying, "Grandma, how come you're the only one in our family who can sing?" when you can't sing a note.

With a smile on my face and a tear in my eye I give you back your own advice, which I have received a number of times, "Don't worry."

I know you won't and I don't have to worry because I'm confident each of you will achieve your happiness through a wise use of your time and talents.

Your happiness will be mine.

The Summing-Up

When young I scribbled, boasting,
on my wall,
No love, no property, no wages
In youth's good time I somehow
bought them all,
and cheap, you'd think, for maybe
a hundred pages.

Now in my prime, disburdened
of my gear,
my trophies ransomed, broken, lost,
I carve again on the lintel of
the year
My sign: Mobility - and damn the
cost!

The Seniors of 1975 would like to thank Mr. Richard Weegar for all the time, effort, and dedication he gave to us and to the school. He was a member of the Board of Education for 15 years. Mr. Weegar was elected to the Board July 1959, taking the place of Cornelius Leory. He served until July 1974 when Paul Watson took his place. Thanks again Mr. Weegar.
